JoAnn F. DillowayRESPONSE TO NOTICE OF DRAWING
INCONSISTENCY WITH SPECIFICATION

Sir:

A Notice of Drawing Inconsistency with Specification was issued on September 28, 2005 in the subject application. The Notice of Drawing Inconsistency with Specification indicated that Figure 19E was contained in the Drawings, but was not listed in the Brief Description of the Drawings in the specification.

To correct this error, Applicant respectfully seeks to replace the paragraph appearing on page 9, lines 3-6 with the following paragraph:

FIG. 19 shows a metallic reinforcing plate of the LGA socket of FIG. 18; FIG. 19A is a plan view; FIG. 19B is a first side view; FIG. 19C is a second side view; FIG. 19D is a partial sectional view taken along line 19e-19e of FIG. 19A; FIG. 19E is side view of a supporting tongue element.

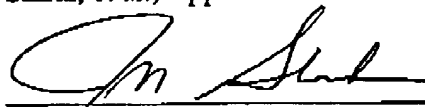

No new matter has been added to the specification a result of the above-amendment.

In view of the amendment set forth herein, passage to issue is respectfully requested.

Please charge any additional fees and/or credit any overpayments associated with this application to Deposit Order Account No. 501581.

Respectfully submitted,

Shirai, et al., Applicants
